

Privacy and Disclaimer

Privacy Statement

Welcome to the website of IQ Academy a Private Higher Education Institution. IQ Academy is firmly committed to the privacy of the users of its website. Subject to applicable laws and IQ Academy's rules, nothing posted or entered on this website will be made public without the prior consent thereto of the user.

Disclaimer

This website is for information purposes only. No representations or warranties are given by IQ Academy regarding the accuracy of the information contained on this website, any material provided on this website or any part of this website. Any reliance by the user on any information contained on this website, any material provided for on this website or any part of this website, is at the user's own risk and IQ Academy, its directors, employees, advisors or agents shall have no liability of whatsoever nature to the user or any other person, directly or indirectly, arising out of the utilisation of the information contained on this website, any material provided for on this website or any part of this website.

The user hereby agrees that in the event of any dispute arising out of the utilisation of this website in whatsoever manner, form or substance, the South African law will apply and the appropriate courts of South Africa will have jurisdiction.

IQ Academy Intellectual Property Rights

The copyright and other intellectual property rights, registered or unregistered in terms applicable legislation or through common law (which include IQ Academy's brand, devices, slogans, content and logo) existing in and attached to this website are the sole property of IQ Academy (Pty) Ltd and may not be reproduced, copied or otherwise used without the express written consent of IQ Academy.

NB. Copies of all IQ Academy's policies, rules and procedures (PAIA manual, Information Security Policy, Privacy Policy, Intellectual Property Policy etc.) which govern your use of our website, may be obtained from the Registrar, on: registrar@iqacademy.ac.za.

Online Advertising

IQ Academy engages third parties that help it deliver its banner advertisements and other online communications. The third parties may collect and use information about IQ Academy customers to help us understand the offers, promotions, and types of advertising that are most

appealing to its customers. The personal information they collect is aggregated and cannot be linked to a person.

- Third party vendors, including but not limited to Google, DoubleClick and Programmatic Buying, show IQ Academy's ads on sites on the internet.
- Third party vendors, including but not limited to Google, DoubleClick and Programmatic Buying, use cookies to serve ads based on a user's prior visits to IQ Academy's website.
- If you do not wish your personal information to be used in this way Users may opt out use of cookies by visiting:
